- Plastic comb & 3:1 wire
- Punch 25 sheets at a pass comb
- Punch 20 sheets at a pass wire
- Bind up to 450 pages comb
- Bind up to 130 sheets wire
- Adjustable margin depth
- Simple switch between comb and wire

## GOLD SOVEREIGN ELECTRIC XP5 COMBO

- Plastic comb & 3:1 wire
- Punch 25 sheets at a pass comb
- Punch 20 sheets at a pass wire
- Bind up to 450 pages comb
- Bind up to 130 pages wire
- Adjustable margin depth
- Simple switch between comb and wire

### QUPA S303 3:1 WIRE BINDER

- Punch 15 sheets at a pass
- Bind up to 120 sheets
- Adjustable margin depth
- Disengageable punch pins
- Metal construction
- Dual handle wire closer built in

### QUPA S310 3:1 WIRE BINDER

- Punch 25 sheets at a pass
- Bind up to 120 sheets
- Adjustable margin depth
- Disengageable punch pins
- Metal construction
- Wire closer built in

### QUPA D310 3:1 ELECTRIC WIRE BINDER

- Punch 25 sheets at a pass
- Bind up to 120 sheets
- Adjustable margin depth
- Disengageable punch pins
- Metal construction
- Wire closer built in
- Foot switch operation

### QUPA S210 2:1 WIRE BINDER

- Punch 25 sheets at a pass
- Bind up to 280 sheets
- Adjustable margin depth
- Disengageable punch pins
- Metal construction
- Dual handle wire closer built in

### QUPA S600 COMB & WIRE CLOSER

- Open and close all size plastic combs
- Close both 2:1 and 3:1 wires
- Push button size select
- Simple quick easy operation

### QUPA MC320 ELECTRONIC WIRE CLOSER

- Close both 2:1 and 3:1 wires
- Intelligent auto closer
- Simple quick easy operation
- Closes all brands of wires

### QUPA D600 INTERCHANGEABLE DIE BINDER

ELECTRIC WITH FOOT SWITCH

- Punch up to 25 sheets at a pass
- Bind up to 500 sheets comb
- Adjustable margin depth
- Disengageable punch pins
- Metal construction
- Interchangeable dies include wire 2:1 wire 3:1 comb and spiral

### QUPA NB989 INTERCHANGEABLE DIE BINDER

ELECTRIC WITH AUTO FIRE OR FOOT SWITCH

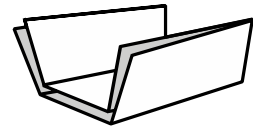

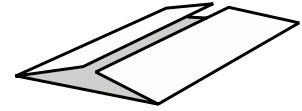

- Punch up to 30 sheets at a pass
- Bind up to 500 sheets comb
- Adjustable margin depth
- Disengageable punch pins
- Metal construction
- Interchangeable dies include wire 2:1 wire 3:1 comb and spiral

# Folding Machines

## MARTIN YALE 7400 PAPER FOLDER

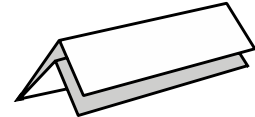

- A4 paper folder
- Accepts multiple sheets up to 3
- Auto Off after last sheet
- Compact design
- Speed up to 4000 p/h

## SUPERFAX PF340 ELECTRONIC PAPER FOLDER

### A3 folding machine

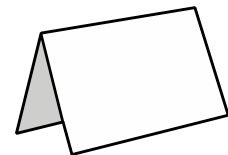

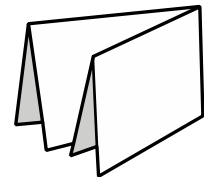

- Pre-programmed folds A4 and A5
- Counter and speed control
- Speed up to 7800 folds p/h
- Sequential stacker delivery

## PF440 PAPER FOLDER

### A3 folding machine

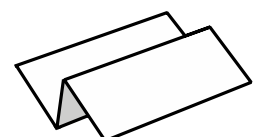

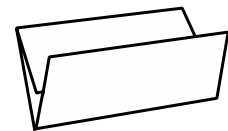

- Total and batch counter
- Speed up to 9000 folds p/h
- Sequential stacker delivery
- 160 GSM 3 fold
- 230 GSM single fold
- Feed table pressure adjustment
- Feed roller pressure adjustment

## SUPERFAX PF460 ELECTRONIC PAPER FOLDER

### A3 Auto folding machine

- Pre-programmed folds for A4 & A3
- Total and batch counter
- Speed up to 14,400 folds p/h
- Sequential stacker delivery
- 160 GSM 3 fold
- 230 GSM single fold
- Feed table pressure adjustment
- Feed roller pressure adjustment

## Consumables - Lamination

### POUCHES

#### GOLD SOVEREIGN POUCH FILM

- From ID to A2
- 80, 100 125, 150 175, 200 & 250 micron
