

Qupa D310 Electric Wire Binder 3:1 Pitch

Electric heavy duty all metal construction, the D310 has a punching capacity of 25 sheets and is suitable for any size office or in house print room, a foot switch can be activated on the work bench by hand or on the floor by foot making this binding machine very quick and easy to operate. A large work table allows easy alignment when punching pages, correct wire closing setting via a slide control with easy to read pre-printed sizes, the closer has a magnet to hold the wire in place for perfect closing.
