

### Rynak 430 and 470 Ream Cutters

The Rynak 430 and 470 ream cutters are very easy to operate and have the ability to cut reams of paper in one go. Paper clamp, both the 430 and 470 have a wind down clamp to secure your items eliminating movement and inaccurate cutting. Safety is paramount with a full cover across the blade, and without the cover being in place the guillotine will not operate. Built to last the 430 and 470 are all metal construction ensuring many years of reliable operation.
